Relocation of Genesis Center

Dear Ms. Neff:

This is to acknowledge receipt of your letter requesting a Certificate of Need ("CON") determination for the relocation of Genesis Center from 300 Broad Street, Manchester, CT to 567 East Center Street, Manchester, CT. The new location is only several miles from the existing facility and will continue to be within the main commercial and business areas of Manchester. The cost of the relocation is estimated to be \$200,000.

Please be advised that the Office of Health Care Access ("OHCA") has reviewed your request and finds that the relocation of the existing office will not change the area served by your program, the licensing category of your program, or any aspects of program delivery. There will be no expansion of services at this time and the capital expenditure to be incurred as a result of the relocation will be less than the statutory limit of \$1,000,000. Based on these findings, OHCA has determined that CON approval is not required for you to proceed with the planned relocation.

Thank you for keeping OHCA informed of your relocation plan. If you have any questions concerning this letter, please call Laurie Greci at (860) 418-7038.

Sincerely,

Signed by Cristine A. Vogel
Commissioner
